

The New Hartford Historical Society and
The New Hartford Land Trust Present

**‘Changing Land,
Changing
Animals’**

**A Talk By
Margery Winters**

Assistant Director
Roaring Brook Nature Center, Canton

Where: New Hartford Town Hall
530 Main Street, 3rd floor
New Hartford, CT 06057

When: Wednesday, April 6th
7:00 p.m.

Please join us!

*Margery Winters, Assistant Director at the
Roaring Brook Nature Center in Canton, will discuss how
land use in this region has changed over the past 500 years
and how those changes have affected our wildlife.
She will also talk about how current land use
management practices will affect wildlife in the future.*
